Mr. Franklyn A. Johnson, President  
Jacksonville University  
Jacksonville 11, Florida

Dear Mr. Johnson:

Thank you very much for your letter of 8 April inviting me to speak to the student body of Jacksonville University some time during the school year.

I do not plan to be in Jacksonville in the foreseeable future but, should it be possible on one of my Florida trips while you are present at the University I would, of course, be glad to address the student body. Your courtesy in asking me again to join you is indeed appreciated.

In regard to your offer to assist us, I will talk to some of my people here about this and, should something turn up, one of my representatives will be in touch with you. It was good of you to volunteer your services to the Agency in this way, and perhaps something can be worked out.

Once again, many thanks and with kindest regards,

Sincerely,

P/S. Please drop in and see me when you are in Washington in June.
